## TITE-LOAD RESTRAINER

“NO NEED FOR GATES, NO NEED FOR BUCKLES”

The Vavdrey Titeload Restrainer is the recognised leader in load restraint. With load securing rods built in to curtains and no need for curtain buckles your turnaround times are slashed and productivity increased. Available in both trailer & rigid bodies.

- Traditional curtain tensioners front & rear as standard, electric remote control tensioners are optional.

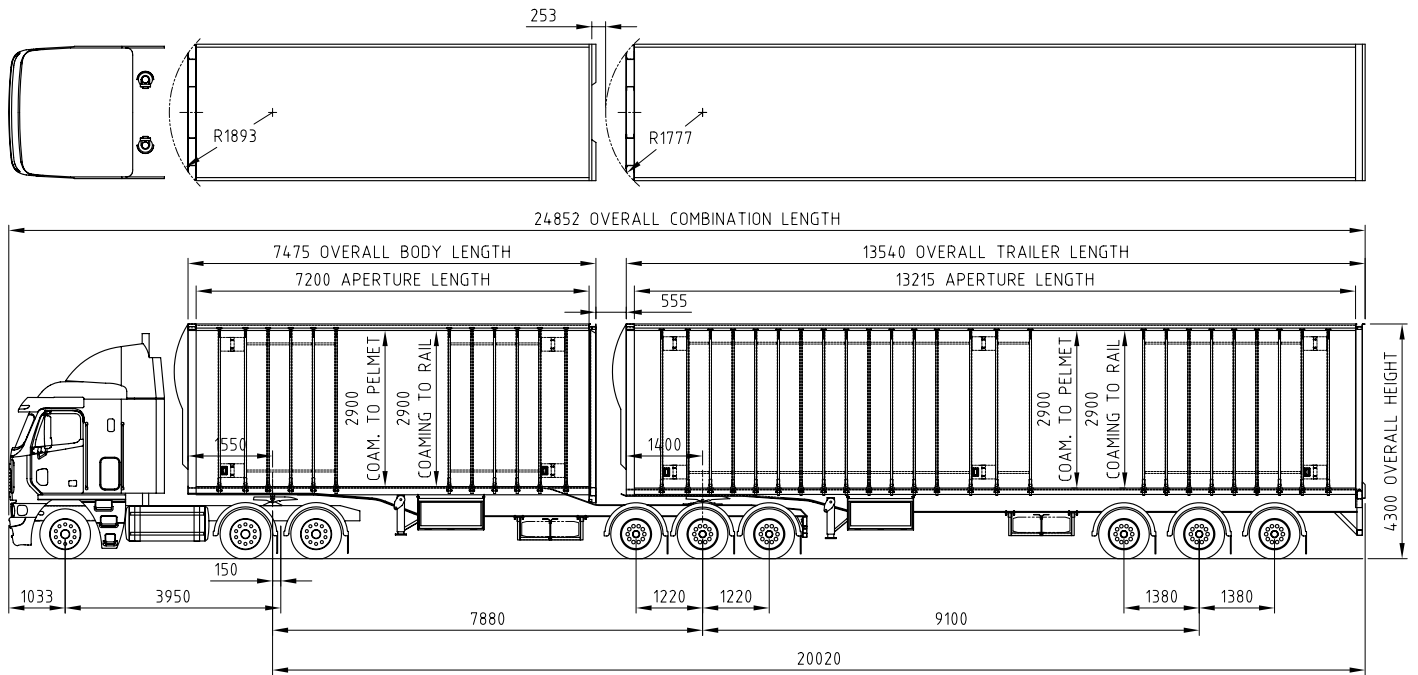

- Curtains run on ball bearing rollers top and bottom making opening a breeze.

- Available in both rigid bodies and trailer configurations.

- Load securing rods are built in to the curtain removing the need for traditional gates.
